### 2024 Taxes Due

A reminder to all ratepayers that your 2024 Taxes are due December 31<sup>st</sup> 2024. To assist ratepayers in processing any outstanding payments, the deadline for payment has been extended to Thursday January 2<sup>nd</sup> at 12 pm. Any unpaid taxes after this date will have a 12% penalty applied. Payments accepted include: Online bill payments through PCCU, CIBC and Scotiabank; e-transfers sent to [beechy@sasktel.net](mailto:beechy@sasktel.net); or cash or cheques made payable to The Village of Beechy. If sending payment via Canada Post, envelopes must be postmarked for December 31<sup>st</sup> 2024.

### New Water and Sewer Bylaw: 07-2024

An updated Sewer and Water Bylaw was passed in October of 2024. How will changes affect you as a rate payer?

-The breakdown of cost responsibility for installation and maintenance/repair of water and sewer connection lines has changed. As per Section 1, all costs related to connection, maintenance and repair of connections made to municipal water or sewer services are the responsibility of the property owner.

-Sewer snaking services: All costs related to sewer auguring are now the sole responsibility of the rate payer. The Village of Beechy will no longer be reimbursing sewer snaking costs. Ratepayers are free to choose whom they would like to hire to remove sewer obstructions or blockages.

-Curb stops and main lines will continue to be the responsibility of the Village.
